REMARKS

SOURCE

1. a. The former Panzer Kaserne in SANDHAUSEN near ORANIENBURG (N 53/2 67) was occupied by recruits, wearing black-bordered red epaulets, as observed between 10 and 14 July 1949. Fifteen sidecar motorcycles left the kaserne during the period of observation. 25X1C

2. Only a small guard detail was located in the castle on August Bebel Platz at the time of observation. The unit from the castle was said to have been on maneuvers since late May 1949.

25X1A [redacted] Comment: The above report again shows that recruit units of the cadre units were in the military posts in July 1949, while field units were in training area.
